Lysa

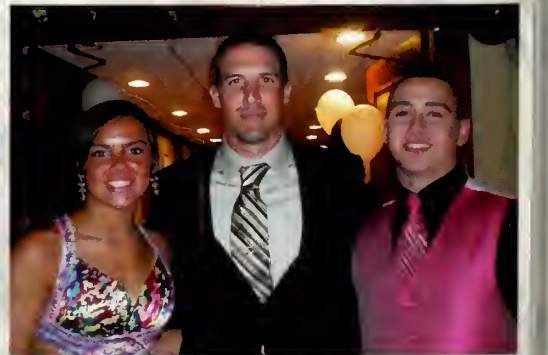

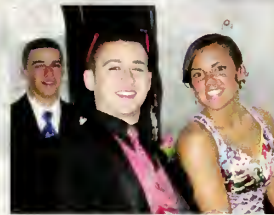

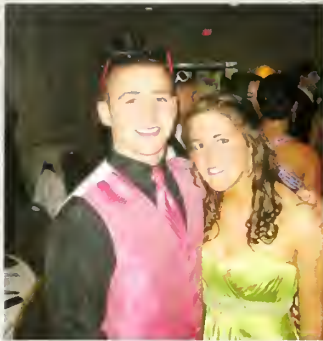

From the day you were born you brought us joy and laughs. The years have gone by in a flash, you were an adorable and funny baby that has grown into a beautiful young lady.

The moment I laid eyes on you and held you in my arms I knew the meaning of the words "love at first sight". Thank you for all the funny memories. I don't want any of this to end but I know that you are getting older. I can't wait to see the next chapter in your life.

We love you and wish the best for you.

Mom, Dad Sophie, George and Rocky

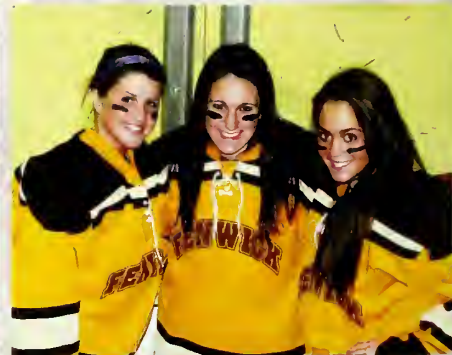

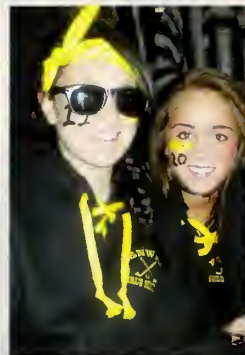

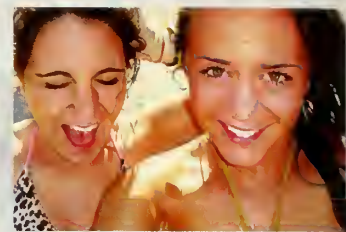

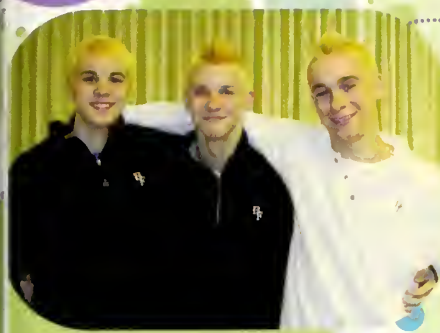

There are some things from our high school experiences that we will carry with us for the rest of our lives and some memories that we choose to forget. But when we look back at those experiences, we'll see our friends, the ones who got us through everything, and we'll realize how lucky we are to have them.
